Academic Qualification

Government college of technology

Bachelor of Civil Engineering

Nov 2020 - Dec 2023.

Nandha Polytechnic College | Diploma in Civil Engineering

Jun 2015 - Apr 2017.

Presentation Convent | Secondary and High schooling

Jun 2011 - Mar 2014.

Certifications

Unity Technologies – Apr, 2025

Unity Certified Associate: Game Developer

Google Professional Certificate, Coursera

May 2021 - Apr 2022.

Maya Academy of Advanced Cinematics | UI/UX Design

Professional Course in Maya

Aug 2017 - Oct 2018.

Experience

PSGR Krishnammal College for Women

Training and Development Associate | XR & 3D

Aug 2023 - Till Date

- Delivered practical training in Unity, AR/VR, XR development, and 3D design.
- Designed and conducted hands-on sessions covering Unity, Vuforia, and immersive technologies.
- Mentored students in developing XR applications and interactive experiences.
- Mentored students for Unity certification preparation, with multiple students successfully earning Unity Certified Associate certification.

○ PSGR Krishnammal College for Women

Adjunct faculty (3D Animation)

Feb 2021 - July 2023

- Delivered NSDC training in Maya, Photoshop, Illustrator, Premiere Pro, and After Effects, with hands-on instruction in 3D animation and multimedia design.

○ Adoro Institute of Multimedia

3D Faculty and Designer

Apr 2019 - Jan 2021

- Trained students in graphic design, 3D animation, video editing, and multimedia software using industry-standard tools.

○ Campus Images

Adjunct Faculty (3D Animation)

Dec 2018 – Mar 2019

- Delivered practical training in 3D animation and multimedia software, guiding students through hands-on creative projects.

○ Falcon Expo and Event Services

3D Designer

Apr 2018 – Nov 2018

- Designed 3D exhibition stalls and event spaces, creating visualizations and spatial concepts based on client requirements.

XR Projects

○ AR Alphabets learning app - Unity + Vuforia

Interactive AR alphabet learning application using Unity and Vuforia image-target tracking..

○ AR Indoor Navigation - Unity + Multiset VPS

AR indoor navigation application using Multiset VPS for spatial localization and indoor navigation.

○ VR Stroke Rehabilitation - Unity + Meta Quest

Immersive VR application for interactive stroke rehabilitation exercises.

○ VR Bio Safety Cabinet - Unity + Meta Quest

VR training simulation for learning Biosafety Cabinet operation and laboratory safety procedures.

○ VR Bird Anatomy - Unity + Meta Quest

Interactive VR application for exploring and learning bird anatomy in 3D.
